Sir:

In reply to your letter requesting a Descriptive List of James M. Crawford, a Private in Company "I." 26 Regiment of Ky Volunteers, I have the honor to furnish the following "Descriptive List," obtained from the records of this Office: which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

James M. Crawford, a Private in Company "I." 26 Regiment of Ky Volunteers, is years of age; but no further "description" can be obtained from the files of this Office. He was enrolled on the 19th day of Sept in 8th dist 1864, at the town of Kentucky in the State of by , and mustered into the service of the United States on the 19th day of Sept 1864, at the town of Jerusalem in the State of Ky by Capt. Hase to serve for the period of one years, or "during the war."

ACCOUNT OF PAY.

It is stated on the Muster Rolls of his Company for the months of Jan & Feb 65 (latest) that he was not paid by Regiment to the day of 1865 Nov Paris

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing; it must be obtained, if obtained at all, from his Company Commander.

REMARKS

in James' Roll he is reported "Present for duty"

Very respectfully,

Your obedient servant,

Wm. D. Smith

Assistant Adjutant General.

To

Genl. Surg. W. A. Conrad

San Antonio, Tex.

FILED

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by this officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c. in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, or the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

The proceedings, findings and sentence were confirmed and promulgated by Genl. N. B. Wright Comdg. Dist. Western Ky., Apr. 10, 1863, and Bowling Green, Ky. was designated as the place of confinement.

He escaped from the guard house, date not stated, and remained absent until the 10th day of Dec. 1863, from which date he is supposed to have entered upon his confinement under the sentence of the Court Martial, and returned to the company about June 10, 1864.

As he was subsequently restored to duty by S. F. O. 29, Dist. of N. E. Army of the Ohio, dated Raleigh, N. C., Apr. 14, 1865, without trial, the charge of desertion (escape from guard house) no longer stands against him. The record of the fact that

Note 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the Superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

Note 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The Mustering officer, Commissary, or Assistant Commissary of musters, as the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

They will be made out in duplicate in all cases—one to accompany the recruiting return of the recruiting officer (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, etc. The Regiment and Company in which the soldier last served should be given on the back.

FINAL STATEMENT

OF

John A. Davis 9th Co
26th Regt of Ind Inf

VOLUNTEERS.

Disch January 21 1865

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c. due him, and the captain or other commissioned officer commanding the company will certify to the act of the delivery of the duplicate certificates; on three certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment commuted on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landwars must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, etc., etc., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, etc. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment binds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, etc. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Dr. Your note in regard to the
Discharge of Private Levi Davis has just come to
hand, and I hasten to answer.

The Description Roll that was made
out April 17th in the field, I made without a
my papers present, my desk being left behind
on account of not having transportation. The
one made out May 18th is correct. I then had
my desk and all my books & papers, he had
never Rec^d? but one installment of Bounty, \$60-
the remainder was due him.

I hope this explanation will prove
satisfactory.

previously to his enlistment, and that he was entirely sober when enlisted; that, to the best of my
judgment and belief, he is of lawful age; and that, in accepting him as duly qualified to perform the duties
of an able-bodied soldier, I have strictly observed the Regulations which govern the recruiting service.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds no service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Washington, D.C., July 11th, 1863.

Sir:

In reply to your letter, requesting a Descriptive List of Volunteers in Company F, 1st Regt. N.Y. Heavy Artillery, I have the honor to furnish the following Descriptive List obtained from the records of this Office: which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

NAME	RANK	REGIMENT	DESCRIPTION, &c.
<u>John A. Smith</u>	<u>Private</u>	<u>1st Regt. N.Y. Heavy Artillery</u>	<u>in Company F</u>
He was enrolled on the <u>1st day of July, 1861</u> , at the town of <u>Albany</u> , in the State of <u>New York</u> , and mustered into the service of the United States on the <u>1st day of July, 1861</u> , as the <u>1st day of July, 1861</u> , in the State of <u>New York</u> , to serve for the period of <u>3</u> years, or "during the war."			

ACCOUNT OF PAY.

It is stated on the Muster Rolls of his Company for the month of July, 1861, that he was last paid by Paymaster John A. Smith to the 1st day of July, 1861.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing; it must be obtained, if obtained at all, from his Company Commander.

REMARKS.

He is now in the service of the Government.

Very respectfully,

Your obedient servant,

Samuel Weeks

Assistant Adjutant General.

To John A. Smith, Paymaster, 1st Regt. N.Y. Heavy Artillery, Albany.

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statement, should be endorsed with a statement to that effect by this office. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statement, the clothing he received, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will then enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowance that may be due him at the time of his discharge, and which may not appear on his final statement from the fact that this list is incomplete or "partial."

SUBSTITUTE VOLUNTEER ENLISTMENT.

STATE OF

TOWN OF

I, Chas Dean, born in the State of Kentucky, aged 19 years, and by occupation a subjoin, Do HEREBY ACKNOWLEDGE to have agreed with Joseph Kerchner, Esq., of Louisville

to become his SUBSTITUTE in the Military Service, for a sufficient consideration paid and delivered to me, on the 7 day of Oct, 1864, and having thus agreed with said Joseph Kerchner, I DO HEREBY ACKNOWLEDGE to have enlisted this 7 day of Oct, 1864, to serve as a Soldier in the Army of the United States of America, for the period of THREE YEARS, unless sooner discharged by proper authority: I do also agree to accept such bounty, pay, rations, and clothing, as are, or may be, established by law for soldiers. And I do solemnly swear that I will bear true and faithful allegiance to the United States of America; that I will serve them honestly and faithfully against all their enemies or opposers whomsoever; and that I will observe and obey the orders of the President of the United States, and the orders of the Officers appointed over me, according to the Rules and Articles of War.

Sworn and subscribed to, at Louisville, this 7 day of Oct, 1864, by Chas Dean
BEFORE Wm Muecke Mar
Capt Br. Mun & Co

We certify, on honor, That we have carefully examined the above-named Volunteer Substitute agreeably to the Regulations, and that, in our opinion, he is free from all bodily defects and mental infirmity which would in any way disqualify him from performing the duties of a soldier; that he was entirely sober when enlisted; that he is of lawful age, (not under 18 years;) and that, in accepting him as duly qualified to perform the duties of an able-bodied soldier, and as a Substitute in lieu of Joseph Kerchner of Louisville Ky, drafted in Oct 14, 1864, we have strictly observed the Regulations which govern in such cases. This soldier has blue eyes, light hair, fair complexion; is 5 feet 6 1/2 inches high.

Camp Nelson, Ky. February 9th 1864
Capt:-

Private Benjamin F. Geason, Co. E. 26th Ky.
was tried by General Court Martial which
commenced at Russellville, Ky. for desertion and
sentenced to one year hard labor and to
receive only half pay during period of
confinement. The sentence was approved
and published in General Orders No. 14,
District of Western Ky., dated 10 April 1863.

He has been in confinement over one
year and under the sentence for two
months.

There is no fact in his case which
was not developed on trial:- He is young
and not of much intellect and was
persuaded by another member of the Company
to desert with him. He yielded to his
comrades' importunities & left. It is that
he has now fully expiated his former
offense and in the future will make
a good soldier, as he did prior to
his desertion. Only two months of
the term remains unexpired. I ask
respectfully that the remaining part
of the sentence be remitted and

he restored to duty. I am sure he will
henceforth make a good soldier and render
valuable service to the government.
He proposes to commence a
new term by re-enlisting with the
Regiment as a volunteer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, etc., etc., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, etc. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment binds to service. NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier: the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *4, 5, &c.*, &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Sept. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge, and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, epistaxis, menses, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward those portions to the regimental, detachment, or post commander, who will pass to the proper authority, through the proper channel, to his division commander; or, if the troops are detached and attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

Three certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the commanding officer of the proper authority, sign the soldier's discharge, and the last of the three certificates, or that the soldier is furnished with the proper final statement in duplicate, and forward enclosed those certificates direct to the Adjutant General United States Army, at Washington, D. C., they will not under any circumstances be given into the hands of the soldier.

ARTICLES OF WAR.

ART. 93. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers so authorized to take care of the effects of deceased officers and soldiers should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

Par. 132. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 13th Article of War, will be forwarded to the Adjutant General, by the commanding officer of the company to which the deceased belonged, and a duplicate of the same to the command of the regiment. Final settlements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause, to what time he was last paid, and the money or other effects in his possession at the time of his decease; such report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

Par. 133. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Court of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

Par. 134. In all such cases of sale by the Court of Administration, a statement in detail, or account of the proceeds, duly certified by the Court and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, conveyance will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

FINAL STATEMENT

of
P. Edward Penner
16th Reg't of Infantry
Co. I.

VOLUNTEERS.

Dis. June 10, 1865.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMANDING officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Laurence must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as if, &c., &c.; to describe particularly the disability, wound, or disease; the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Eds. 1861.
Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, syphilis, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

War Department,

Adjutant General's Office,

Washington, D. C. May 22, 1865

Sir:

In reply to your letter requesting a Descriptive List of Joseph B. Gibson of Co. K in Company K 12th Regiment Volunteers, I have the honor to furnish the following "Descriptive List" obtained from the records of this Office: which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

Joseph B. Gibson, a Private in Company K 12th Regiment of K Volunteers, is X years of age; but no further "description" can be obtained from the files of this Office. He was enrolled on the 11 day of Aug, 1862 at the town of Union in the State of Ky by Capt. Smith, and mustered into the service of the United States on the 13 day of Sept, 1862, at the town of Union in the State of Ky by Capt. Smith, to serve for the period of 5 years, or "during the war."

ACCOUNT OF PAY.

It is stated on the Musters Rolls of his Company for the months of May & June 1865 that he was last paid by Paymaster G. D. Smith to the 31 day of Dec, 1864.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing; it must be obtained, if obtained at all, from his Company Commander.

REMARKS.

On the same Roll he is noted "Served for duty"

Very respectfully,

Your obedient servant,

Wm. D. Beck

Assistant Adjutant General.

To Judge in charge
Clay Street Hospital
Louisville Ky

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by this officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

Sir:

In reply to your letter requesting a Descriptive List of Thos
Dorsey a Privt in Company "G" 26th
Regiment Kentucky Volunteers, I have the honor to furnish the
following "Descriptive List" obtained from the records of this Office: which, from the
want of the necessary data, (which is in the possession of the Company Commander,)
is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

Thomas Dorsey, a Privt in Company "G"
26th Regiment of Ky. Volunteers, is under
years of age; but no further "description" can be obtained from the files of this Office.
He was enrolled on the 26th day of January, 1864,
at the town of Camp Nelson in the State of Ky.
by Let Brown, and mustered into the service of the United
States on the 19th day of February, 1864, at the
town of Camp Nelson in the State of Ky.
by Major Henderson, to serve for the period of 3 years,
or "during the war."

ACCOUNT OF PAY.

It is noted on the Muster Rolls of his Company for the months of
January & February 1865, that he was last paid by Paymaster
Major Phelps to the 31st day of
December, 1864.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing: it must be obtained, if
obtained at all, from the Company Commander.

REMARKS.

On Roll of same date (latest on file) he is reported: "Present
for duty. 4th installment of Vet bounty due \$50.00. Due W.S.
for clothing \$13.17." Originally Enrolled "Oct 15", 1861."

Very respectfully,

Your obedient servant,

Samuel Beck

Assistant Adjutant General.

Surgeon Charge De Camp
Genl Hospital, W.S.A.
Devils Island, New York Harbor

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company
commander; and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by
this officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing
account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the
company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the
soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled
upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not
appear on his final statements from the fact that this list is incomplete or "partial."

H. C. N. M.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the returning return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

to VOLUNTEER as a Soldier in the Army of the United States, for the term of THREE YEARS,
Do Declare, That I am 32 years and 3 months
of age; that I have never been discharged from the United States service on account of disability or by

L. Powell Late Capt Co. G. 26th Regt. 77th Dep.

NOTES.

1. The amount of any extra pay for which the soldier may be mustered, as, for an Acting Hospital Steward, as Saddler, &c., and which may be still due him, must be carefully noted.
2. In the column headed "BOUNTY PAID," must be entered the whole amount actually paid him, in that of "BOUNTY DUE," the whole amount yet due him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.
3. Stoppages for loss or damage done to arms, or other public property, must be noted, and the articles, and particular damage to each, specified. When stoppages are due, under sentence of a Court Martial, a transcript of the same must be entered here; and the amount already stopped must be carefully stated.
4. In every case of desertion, the date, and that of delivery, or apprehension, must be given, together with a correct transcript of the order of sentence or pardon, and the amount due to, or from him must be precisely stated.
5. Should the man have been engaged in any action or skirmish, it must be mentioned, together with date and place. A full and particular mention will be made of any wounds he may have received in action, or other injury, whilst in the line of his duty.
6. If the soldier is entitled to pay for the use of his horse, the company commander will certify, to that fact on this list, and also to the time he has pay due for having been so mounted on his own horse.
7. When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to that effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier who will enter all the data necessary to a full understanding of the soldier's account as the matter will open which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these minor rules, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. There are many for back pay, &c., are settled by the 3d Auditor of the Treasury Dept.
8. Where a soldier dies in hospital or on detached service, his descriptive

- list, if he has one, should be sent with his final statements, to duplicate, to the Adjutant General, Washington, D. C.
9. Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the usual rules for Volunteers. (In the same line as the soldier's name, under the heading "DRAFTED FOR Duty and Enrolled—Commencement of First Payment by Time," will be written the word drafted, or substitute, as the case may be, and enter the heading "When Mustered in," will be given the date when the soldier was drafted, or, if a substitute, when enlisted, substituted under the Enrollment Act, was mustered in, by enlistment, under "When Mustered in," will be given the place from which drafted, or if a substitute, where enlisted, under the heading "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus, 4th D. Mass., (meaning 4th Enrollment District, State of Massachusetts.) Or if a substitute, the name of the officer enlisting him. (When enlisted by Board of Enrollment, the name of the Federal Marshal of the Enrollment District.)
10. A separate descriptive list should, as a general rule, be given for every man.
11. Descriptive lists must, in all cases, be signed by commissioned officers, not by enlisted men acting as such.

I CERTIFY that the above is a correct transcript from the Records of Company Clothing & Descriptive books

SEC. 12. And be it further enacted, That the fees of agents and attorneys for making out and causing to be executed the papers necessary to establish a claim for a pension, bounty, and other allowance before the Pension Office, under this act, shall not exceed the following rates: For making out and causing to be duly executed a declaration by the applicant, with the necessary affidavits, and forwarding the same to the Pension Office, with the requisite correspondence, ten dollars; which sum shall be received by such agent or attorney in full for all services in obtaining such pension, and shall not be demanded or received, in whole or in part, until such pension shall be obtained; and the sixth and seventh sections of an act entitled "An act to grant pensions," approved July [fourth,] eighteen hundred and sixty-two, are hereby repealed.

SEC. 13. And be it further enacted, That any agent or attorney who shall, directly or indirectly, demand or receive a greater compensation for his services under this act than is prescribed in the preceding section of this act, or who shall contract or agree to prosecute any claim for a pension, bounty, or other allowance under this act, on the condition that he shall receive a per centum upon any portion of the amount of such claim, or who shall wrongfully withhold from a pensioner or other claimant the whole or any part of the pension claim allowed and due to such pensioner or claimant, shall be deemed guilty of a high misdemeanor, and, upon conviction thereof, shall, for every such offense, be fined not exceeding one hundred dollars, or imprisoned at hard labor not exceeding one year, or both, according to the circumstances and aggravations of the offense.

Approved July 4, 1864.

NOTE 10.—If any soldier is charged a higher fee than that allowed by the above act, he should report the fact and the name of the agent to the Adjutant General, in order that steps may be taken to have the same redressed.

FINAL STATEMENT

R. 133.

VOLUNTEERS.

Disch July 12. 1865.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his discharge and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the Ad Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landrows must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., as enrolled, should contain only the word drafted or substitute, as the case may be. If the Soldier is a "VETERAN," (or RE-ENLISTED), the words as a veteran, (or reenlisted) as the case may be, should be inserted after the words mustered into the service of the U. S. A statement of all the instruments of peace, or for pay, bounty RECEIVED by the Soldier must be made on the back of each final statement.

S.O. 291

Head-Quarters U. S. Forces

Donating-Quarters, Ky., June 22nd, 1863

Major General A. E. Burnside:

By General Order, No. 104, Department of the Ohio, it is directed that private John Downey, Company G, 26th Kentucky Volunteer Infantry, be shot to death, on the 3d day of July next, in pursuance of a sentence of a general Court-martial before which he was lately tried for desertion. The case against Downey is a pretty strong one, but it is conceived that the circumstances taken altogether would perhaps justify a mitigation of the sentence, and I therefore deem it not improper to respectfully lay them before you.

Downey was enlisted in the fall of 1861, received \$13 - one month's pay - from the State of Kentucky, clothing, and cations. In January, 1862, he left and went to his home, which was in the same county where the regiment was then stationed, remained there until about Feb 1st, when he was arrested and taken to camp, and returned to duty upon his promising to discharge his duty faithfully as a soldier in future.

About the middle of February, 1862, the regiment was ordered to Tennessee, and arrived at Nashville on the 25th of the month. The regiment was not then considered into the U. S. Service, and on our way to Nashville a good deal of dissatisfaction was expressed among the men about being taken from Kentucky, but upon the representations and appeals of most of the officers, they became ^{apparently} generally satisfied, ~~though~~ after we arrived at Nashville and before we were enlisted into the U. S. Service, a great many men were induced, it is said by an officer since dead, to believe that there was no authority for taking them out of the State of Kentucky, and they commenced deserting. Sixty or seventy left,

and among them Downey. These discussions occurred during the first two or three days of March.

On the 5th the regiment was mustered into the U. S. Service - or rather the muster commenced on that day. Several of the officers, myself included, assured the men frequently that the muster would be made and they would receive their pay, but there is no doubt they were informed that they were not legally bound to remain after we left Kentucky. Shortly after the muster, their arms were paid - the first ^{pay} they received except one month's pay from the State of Kentucky on enlistment. Downey remained absent until April 21st, 1863, when he was arrested, brought to camp and tried. Since the last of November, 1862, the regiment had been in Kentucky, and within seventy miles of Downey's home. Although squads were ordered to arrest him at various times, it seems no attempt was made until he was arrested in April, when he made no resistance. He has never been mustered into the U. S. Service, and has a wife and helpless family. Downey was a good soldier when on duty, is brave and brave, but obstinate.

This looks at best like a bad case or which to ask a mitigation of the sentence, but in consideration of the fact that a great many of those who left about the time he did, and remained away many months, were returned to duty without very severe punishment, and of his being an ignorant foreigner and persuaded we had no right to hold him, I most respectfully and earnestly ask that his sentence be mitigated. I would not ask that it be remitted, or that he be pardoned, for I think he ought to be punished severely, but I am inclined to think with all defenses that in his case the extreme penalty

quite too soon

It is but proper for me to state
that I am now detached from our regiment

I beg leave respectfully to
inquire whether any action has been taken in the
case of John Dacumy, who was sentenced to be shot
at the same time with Boyd & for the same offence.
The case of Dacumy was acted on I believe at Head Quarters,
and not by me. I presume the same reasons for pardon exist
in both cases. It would be hard to shoot one & let the other go.

Very respectfully,

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, be made for the payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, in the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. REMARKS.

NOTES.

- The amount of any arrears pay for which the soldier may be mustered, or, as being *discharged*, as *Soldier*, &c., and which may be still due him, must be carefully noted.
- In the column headed "BOUNTY PAID," must be entered the whole amount actually paid him; in that of "BOUNTY DUE," the whole amount yet due him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.
- Stoppages for loss or damage done to arms, or other public property, must be noted, and the articles, and particular damage to each, specified. When stoppages are due, under sentence of a Court Martial, a transcript of the same must be entered here; and the amount already stopped must be carefully stated.
- In every case of desertion, the date, and that of delivery, or apprehension, must be given, together with a correct transcript of the order of sentence or pardon.
- A careful statement of the man's CLOTHING ACCOUNT must be made, to date, and the amount due to or from him must be precisely stated.
- Should the man have been engaged in any action, or skirmish, it must be mentioned, together with date and place. A full and particular mention will be made of any wounds he may have received in action, or other injury, whilst in the line of his duty.
- If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on this list, and also to the time he has paid due for having been so mounted on his own horse.
- When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete review of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Dept.
- Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.
- Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the usual rolls for Volunteers. On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled—Commencement of First Payment by Time," will be written the word *drafted*, or *substitute*, as the case may be; and under the heading "When Mustered in," will be given the date when the soldier was drafted, or, if a substitute, when enlisted, (substitutes, under the Enrollment Act, are mustered in by enlistment.) Under "Where Mustered in," will be given the place from which drafted, (or if a substitute, where enlisted,) under the heading "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus: 4th D. Mass., (meaning 4th Enrollment District, State of Massachusetts.) Or if a substitute, the name of the officer enlisting him. (When enlisted by Board of Enrollment, the name of the Provost Marshal of the Enrollment District.)
- A separate descriptive list should, as a general rule, be given for each man.
- Descriptive lists must, in all cases, be signed by COMMISSIONED OFFICERS, not by enlisted men acting as such.

I CERTIFY that the above is a correct transcript from the Records of Co. E 16 reg. Vol. Inf.

NOTE 2.—An enlistment binds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, etc. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. NOTE 1.—This blank will be used for both enlistments and re-enlistments of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent; not the recruiting officer (to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment binds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The recruiting officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

War Department,

Adjutant General's Office,

Washington, May 1st, 1863.

Sir:

(In reply to your letter requesting a Descriptive List of James C. Decker, a Sergeant in Company I, 26th Regiment of Kentucky Volunteers, I have the honor to furnish the following "Descriptive List," obtained from the records of this Office: which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

James C. Decker, a Sergeant in Company I, 26th Regiment of Kentucky Volunteers, is 26 years of age; but no further "description" can be obtained from the files of this Office.

He was enrolled on the 11th day of January, 1861, at the town of Union in the State of Kentucky, by James C. Decker, and mustered into the service of the United States on the 11th day of January, 1861, at the town of Union, in the State of Kentucky, by James C. Decker, to serve for the period of 3 years, or "during the war."

ACCOUNT OF PAY.

It is stated on the Muster Rolls of his Company for the month of January, 1861, that he was last paid by Paymaster James C. Decker to the 11th day of January, 1861.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing; it must be obtained, if obtained at all, from his Company Commander.

REMARKS.

The same is given in the Report

Very respectfully,

Your obedient servant,

James C. Decker

Assistant Adjutant General.

(7)

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by this office. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting process of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A master-in-meat, in all cases, precedes payment of pay, bounty, pension, &c. A master-in-roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The recruiting officer, commissary, or assistant commissary of musters, as the case may be, will accompany both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Cropper desiring to VOLUNTEER as a Soldier in the Army of the United States, for the term of THREE YEARS, Do Declare, That I am years years and months months of age; that I have never been discharged from the United States service on account of disability or by sentence of a court-martial, or by order before the expiration of a term of enlistment; and I know of no impediment to my serving honestly and faithfully as a soldier for three years.

Discharge Nov 10 1864.

NOTE 1.—Two of these certificates or duplicate copies to be given to each Volunteer Soldier or drafted man, who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him and the captain or other commissioned officer commanding the company will certify to the actual discharge of the duplicate certificates; on these certificates the holder is "bound to" his discharge, and should also present his discharge to the Paymaster to have the payment ordered on it. The duplicates to be given back to the holder by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to that effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and whether charges against him in his statement as to complete a complete exhibit of his account. It will then be transmitted to the company commander of the line, who will enter it on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowance that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landworn must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

ARTICLES OF WAR

ART. 55. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preference or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer or of the assistant military agent all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

PAR. 152. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the Articles of War, will be furnished to the Adjutant General, by the commanding officer of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final allowances, pay, clothing, &c., will be sent with the inventory. When a soldier dies at a post or station absent from his company, there will be the deceased his immediate commander to furnish the required inventory, and, at the same time, reference to the commanding officer of the company to which the soldier belonged, a report of the death, specifying time, place, and cause, to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be based on the next muster-roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

PAR. 153. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

PAR. 154. In all such cases of sales by the Council of Administration, a statement in detail, or extract of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the representative of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments of veterans, &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.
NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *4, 5, &c.*, &c.; to describe particularly the disability, wound, or disease; the extent of wound it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disabling, the nature, degree, and origin of which are accurately described in the within certificate."

Par. 1230 Regulations, Edn. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, opthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to the division commander; or, if the troops are not attached to a division, to the corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper, so that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C. they will not, under any circumstances, be given into the hands of the soldier.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, etc., etc., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the recruiting officer (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, etc. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, etc. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

I CERTIFY ON HONOR THAT I have minutely inspected the Substantive
 previously to his enlistment, and that he was entirely sober when enlisted; that, to the best of my
 judgment and belief, he is of lawful age; and that, in accepting him as duly qualified to perform the duties
 of an able-bodied soldier, I have sincerely revered the Regulations which govern the issue of such service.
 This policy has been fully explained to him, and he has accepted it, and he has taken the oath.

Sir:

In reply to your letter requesting a Descriptive List of James C. Equus, a Private in Company D, 26th Regiment 78th Volunteers, I have the honor to furnish the following "Descriptive List," obtained from the records of this Office: which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

James C. Equus, a Private in Company D, 26th Regiment of 78th Volunteers, is years of age; but no further "description" can be obtained from the files of this Office. He was enrolled on the day of September, 1864, at the town of in the State of by and mustered into the service of the United States on the 11th day of October, 1864, at the town of Donline Green, in the State of 78th by Capt. W. H. H. H. to serve for the period of one year or "during the war."

ACCOUNT OF PAY.

It is stated on the Muster Rolls of his Company for the months of June & July, 1864, that he was last paid by Paymaster W. H. H. H. to the 31st day of December, 1864.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing; it must be obtained, if obtained at all, from his Company Commander.

REMARKS.

On same roll he is reported "Present."

Very respectfully,

Your obedient servant,

Samuel D. Beck

Assistant Adjutant General.

(7)

To

James C. Equus
Private
26th Regiment
78th Volunteers

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by this officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

REMARKS.

This Soldier has in his possession one (1) Enfield Rifle, Musket and Bayonet with Accoutrements complete, excepting Gun Sling. — one (1) knapsack, one (1) Haversack, one (1) Canteen and one half (1/2) Shelter Tent, for which he is responsible.

NOTES.

1. The amount of any arrears pay for which the soldier may be mustered, or for as Acting Hospital Steward, as Saddler, &c., and which may be still due him, must be carefully noted.
2. In the column headed "BOUNTY PAID," must be entered the whole amount actually paid him: in that of "BOUNTY DUE," the whole amount yet due him. Money paid by State authorities, and not by the United States, will not be entered on this statement.
3. Stoppages for losses or damages done to arms or other public property, must be noted, and the articles, and particularly damages to each, specified. When stoppages are due, under sentence of a Court Martial, a transcript of the same must be entered here: and the amount already stopped, must be carefully stated.
4. In every case of desertion, the date, and that of delivery, or apprehension, must be given, together with a correct transcript of the order of sentence or pardon.
5. A correct settlement of the man's CLOTHING ACCOUNT must be made, to date, and the amount due to, or paid a man must be precisely stated.
6. Should the man ever be engaged in any quarrel or skirmish, it must be mentioned, together with the particulars. A full and particular mention will be made of any property he may have received in action, or other manner, whilst in the service.
7. If the soldier is recruited to pay for the use of his horse, the company commander will certify to that fact on this list, and also to the time he has paid due for having been so mounted on his own horse.

8. When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and entered with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account in the muster roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive his pay or allowance without any delay at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the Auditor of the Treasury.
9. Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with the documents, in duplicate, to the Adjutant General, Washington, D. C.

10. Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the usual rules for Volunteers. Their pay commences on the day they report for duty under their summons from the Provost Marshal, which date should be noted on the first Muster Roll, under the heading of "Remarks." On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled," — a statement of first payment by time, "will be written the word *drafted*, or *substitute*, as the case may be, and under the heading "When Mustered in," will be given the date when the soldier was drafted, or, if a substitute, when enlisted, (substitutes, under the Enrollment Act, are mustered in by enlistment; under "Where Mustered in," will be given the place from which drafted, or if a substitute, where enlisted; under the heading "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus: 4th D. Dist., (meaning 4th Enrollment District, State of Massachusetts.) Or if a substitute, the name of the officer enlisting him. (When enlisted by Board of Enrollment, the name of the Provost Marshal of the Enrollment District.)
11. A separate descriptive list should, as a general rule, be given to each man.
12. Descriptive lists must, in all cases, be signed by commission officers; not by enlisted men acting as such.

I CERTIFY that the above is a correct transcript from the Records of Co. 76 26th Ar.

FINAL STATEMENT

OF

Private Abram Ellington

26th Regt of Kentucky Infy

Co. F

VOLUNTEERS.

Quil Nov 24 1864.

NOTE 1.—Two of these certificates or duplicates are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other commissioned officer commanding the company will certify to the act of the Soldier in giving of the duplicate certificates, on these certificates the Soldier is "notified to" his discharge, and should also present his discharge to the Paymaster to have the payment commuted in. The discharge is to be given back to the Soldier by the Paymaster, the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to that effect by the officer. This endorsement should exhibit a final statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him, as in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Land-bonus must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (or the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, or the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the account of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A transfer in point in all cases, precedes payment of pay, bounty, pension, &c. A muster-roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.
